

Remakeit FZCO – Corporate Policy

About Us

Remakeit FZCO is a Dubai-based technology company registered under license number IFZA 48603, operating from Silicon Oasis, DDP – IFZA, Dubai, United Arab Emirates. The company specializes in advanced artificial intelligence (AI) solutions dedicated to automated video creation and digital content transformation. Remakeit develops and operates the online platform remakeit.io, a leading SaaS solution designed to help creators, businesses, and agencies convert long-form videos into short, engaging clips optimized for platforms such as TikTok, Instagram Reels, and YouTube Shorts. **Vision and Mission**

Remakeit FZCO's vision is to empower content creators and organizations with accessible, efficient, and intelligent video automation tools. Our mission is to democratize professional-grade video editing through AI, enabling anyone — from individual influencers to major media firms — to create compelling digital stories at scale. **Core Services**

Remakeit offers a cloud-based suite of AI-powered tools that automate every stage of the content creation workflow. Our core features include automated video cutting and editing, speech-to-text and text-to-video transformation, subtitle generation, auto-formatting for major social media platforms, and instant publishing capabilities. These services are available globally through subscription plans with secure online payments. **Technology, Security & Compliance**

Remakeit FZCO operates on a fully encrypted infrastructure, implementing SSL certificates and PCI DSS-compliant payment gateways. The company complies with UAE and international data protection regulations. Payment data is securely handled by certified third-party providers. No sensitive information is stored on company servers. The platform meets Amazon Payment Services compliance requirements and follows international card scheme standards. **Ownership and Management**

Remakeit FZCO is privately owned and managed by a team of experienced technology and media professionals. The company's founder and CEO, **Mr. Léo Salmon**, leads the strategic and technological direction of the company, ensuring innovation, transparency, and customer success. **Legal Information**
