

Remakeit FZCO – Corporate Policy

Last Updated: October 2025

Legal Attestation (Compliance Statement)

1. Introduction

This Legal Attestation serves as an official declaration by Remakeit FZCO, confirming that all business operations conducted through remakeit.io comply with the legal, financial, and security requirements set forth by Amazon Payment Services, international card schemes, and UAE commercial regulations.

2. Compliance Statement

Remakeit FZCO hereby certifies that remakeit.io adheres to the highest standards of business transparency, secure payment processing, and regulatory compliance. The company operates under a valid commercial license issued by the International Free Zone Authority (IFZA) in Dubai, United Arab Emirates.

3. Legal Transparency

All corporate, technical, and legal information related to Remakeit FZCO is accurately displayed on the official website remakeit.io. This includes Terms and Conditions, Privacy Policy, Refund Policy, and Delivery Policy, all of which are publicly available to users.

4. Security & Data Protection

Remakeit FZCO utilizes SSL encryption, PCI DSS-compliant gateways, and robust access control to ensure the confidentiality and integrity of all data processed through its platform. No sensitive payment data is stored on the company's servers, and all information is transmitted securely via certified third-party processors.

5. Certification and Attestation

This attestation confirms that Remakeit FZCO meets the compliance requirements defined by Amazon Payment Services and international payment regulators. Our operational framework is aligned with applicable UAE laws, card scheme mandates, and best practices for digital payment security.

6. Signature

Signed in Dubai, United Arab Emirates
